Other than the above, there are no other adjustments to the Conversion Price under the terms and conditions of the Convertible Notes.

## FUND RAISING ACTIVITIES IN THE PAST TWELVE MONTHS

The Company has not conducted any equity fund raising activities in the past twelve months before the date of this announcement.

## REASONS FOR THE SUBSCRIPTION

The Group has been engaged in two core businesses, namely, toy manufacturing and the provision of financial services.

The Company issued the Old Convertible Notes to the Subscriber in May 2017 in the outstanding principal amount of HK\$80,000,000 which shall fall due on 11 May 2020. The issue of the Convertible Notes shall allow the Company to refinance the Old Convertible Notes in part under terms which are similar to the Old Convertible Notes and alleviate any immediate refinancing pressure of the Group under the current difficult market environments in general. The refinancing of the Old Convertible Notes with the issue of the Convertible Notes also allows the Group to preserve some

of its capital for the continued business developments of the Group.

Based on the above considerations, the Directors are of the view that the terms of the Subscription Agreement and the Convertible Notes are fair and reasonable and are in the interests of the Company and the Shareholders as a whole.

## **INFORMATION OF THE SUBSCRIBER**

The Subscriber is an investment holding company incorporated in the British Virgin Islands which is beneficially wholly-owned by Mr. Chu Sheng Yu, Lawrence, who is the founder of BlackPine Group and is an experienced financial investor in both the public and private equity markets.
